About Us

HANS METALLOYS is one of the leading Importers, Exporters & bulk Suppliers of raw material and additives that are used in Steel Industries & Foundries. We are engaged in providing raw materials such as Ferro Silicon, Silicon Manganese, Ferro Chrome, Ferro Manganese, Ferro Molly, Ferro Titanium, Ferro Vanadium, Nickel Cathodes, Aluminum Ingots, Notch Bars, etc. to fulfill the demands of steel industries & foundries. We also import and supply Stainless Steel Products such as Coils, Sheets, Plates, Pipes, Tubes & Fittings in grade of AISI 304, 310, 316, 321 to various fabricating industries (Dairy & Sugar plants, Kitchen Equipment, Furniture, etc).

We procure all of our products from some of most reliable & trusted sources of both domestic & international level so as to serve commendable range to customers. Apart, with our focus on serving quality and commitment of delivery & timely services, we have made our own way for success, which is also helping us gain admiration of our customers.

Key Facts

Nature of Business	Importer
No of Staff	6
Year of Establishment	2004
OEM Service Provided	No

Our Products

Aluminium Shots

Stainless Steel Pipes Tubes

Stainless Steel Plates

Stainless Steel Sheets

Ferro Silico Manganese

Ferro Molybdenum

Ferro Vanadium

Ferro Silicon Manganese

Ferro Titanium

Ferro Chrome

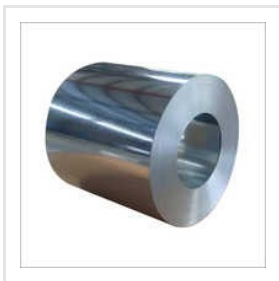

Stainless Steel Pipes

Stainless Steel Round Bars

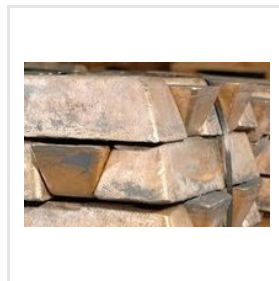

Stainless Steel Fittings

Stainless Steel Coil

Aluminum Notch Bars

Copper Ingots
